RECOGNISED BY UGC FOR CAS**

**SELECTION ON FIRST COME FIRST SERVED
BASIS FOR ACCOMMODATION**

For Whom?

- The program is designed for a target group of professionals working in formal or non-formal; government or private systems of higher education anywhere in India having a concern for evaluation of policies, programs and services.
- Submission of "No Objection Certificate from the Head of the Institution / Management essential.

Objectives

The objectives of the programme are to improve the capacity of personnel working in higher education institutions to

- develop an insight into the conceptual basis of practice of programme evaluation (the introductory module), and
- make meaning out of evaluation reports, of both quantitative and qualitative nature, and appreciate the relationship between evaluation results and policy decisions and educational practices.

The programme provides an opportunity to familiarise oneself with current methodological and theoretical understandings in the field of program evaluation. They will be provided with modalities necessary for the practice of programme evaluation and incorporating the same into ones teaching and research activities. The module on project work aims specifically at acquiring and demonstrating skills of an evaluator.
